December 2019

On Thursday December 19th Santa's helpers were at it again as Piazza Nuova Lodge members delivered 6 large gift food baskets for the needy to Catholic Charities at Saint Michael the Archangel Church in Levittown Pennsylvania in time for the Christmas holiday season.

As the delivery van made it way toward the Catholic Charities destination, one of Santa's deputies working in a nearby shopping center was overheard to say *"there they go again, we can count on that group every year for their thoughtful generosity sharing the joy of the season with others."*

The PNL C&E Foundation, the philanthropic arm of the Piazza Nuova Lodge is a nonprofit filial Lodge of the Order Sons and Daughters of Italy in America. The Lodge promotes fraternity amongst members and extends that fraternity to the community at large. We work to the preserve the rich cultural heritage left to us by our ancestors.

We conduct fundraisers to help and support many charities that we donate to on a national, state, and local community level. They include the Alzheimer's Association, Autistic Foundation, Italian Earthquake Relief Funds, Aid for Friends, Pennsylvania Wounded Warriors, and United Way just to name a few. In addition, through the Catholic Indian Mission warm clothing is sent to American-Indian Reservations every year during the cold winter season.

We also provide annual educational scholarship awards for outstanding academic achievement to the children and grandchildren of Piazza Nuova Lodge members including local public high school senior students. For membership information contact Victor Brescia, Lodge President, at 215-493-4120.
